In the Decision Memo, page 3, where it states: MDOL would also be authorized continued use of Forest Service Roads 610 and 2530D to access the capture facilities.” is corrected to read “MDOL would also be authorized continued use of Forest Service Roads 610 and 610C and an access drive from road 610 to access the capture facilities.”<sup>1</sup>

<sup>1</sup> This correction reflects a new road numbers and a more complete description of the authorization. The Gallatin Travel Plan (2006) re-numbered some roads in the Project Area. The description of the proposed action was not updated to reflect these changed numbers. As the Decision Memo states, this renewal is intended to continue the use previously authorized, which includes use of the roads listed and an access drive.
