Adopt Alternative D and list American bison as a species of conservation concern

Custer-Gallatin National Forest Plan Revision

Custer-Gallatin National Forest

P.O. Box 130

10 E Babcock

Bozeman, MT 59771

RE: Adopt Alternative D and list American bison as a species of conservation concern

Dear Forest Plan Revision Team

I support Forest Supervisor Mary C. Erickson adopting Alternative D, the environmentally preferred alternative in the Custer Gallatin National Forest plan.

I also support Regional Forester Leanne M. Marten listing American bison as a species of conservation concern in Region 1.

Now your part is to do the right thing.

Sincerely,

Bro. Mark Schroeder, O.F.M.
