Comments:

Please choose Alternative D of the draft forest plan for the Gallatin Range and other critical wildlife habitat across the Custer Gallatin National Forest.

Alternative D creates 39 wilderness areas, more than 711000 acres including the Gallatin Range, Pryor Mountains, Emigrant Peak, Lionhead, Crazy Mountains, Bridge Range, Cowboys Heaven, Deer Creeks, Line Creek Plateau, West Fork Rock Creek, and Tongue River Breaks. At a time when industry is devouring and destroying this land we need to increase protected lands and environments.
