Dear Custer Gallatin National Forest:

I urge the Forest Service to, protect the wilderness values and cultural significance of the Crazy Mountains, Absaroka Beartooths, and any of the surrounding, like Emigrant Peak, Chico peak, West Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

In August 1982, I hiked in to Elbow lake and ascended Mount Cowen. I signed the register and took pictures with my camera of some of the most incredible scenery I have ever scene.

I hope these mountain ranges will continue to be protected like they were back in the 1980's.
