Comments:

It is urgent that protection for wilderness be increased.

The Pryor Mountains, CGNF, should have designated Wilderness Areas of:

Bear Canyon, Big Pryor Mtn., Punch Bowl and an enlarged Lost Water Canyon RWA.

The Absaroka Beartooth Mountains, CGJF, also need much greater protection for wilderness. This is best described in Alternative D of your plans.

These mountains represent a resource that cannot be replaced or repaired after being overused by motorized and commercial interests. Please put protections in place to achieve that goal!
