Subject: [Website feedback] Strong Protections for the Custer-Gallatin National Forest

ROBERT STANLEY (not verified) (ROBESTAN@AOL.COM) sent a message using the contact form at <http://www.fs.fed.us/about-agency/contact-us>.

Message

Dear Sirs: I am very concerned the protections for the Custer-Gallatin Wilderness areas be maintained and strengthened. I support Alternative D of the proposed management plan with the addition of protections for the full 230,000 acre Wilderness Area. These protections should forbid motorized recreation, stocking of fish in area streams, and use by stock and their handlers of more than ten animals and 5 handlers.
