Comments:

Snowmobile zones are already so limited this we be a devastating blow to the community. My brother lives in Montana and we go up and ride once a year and love the terrain. Please don't close down more riding areas it's killing the sport. I have a 2 and a 4 year old and me and my wife would be heartbroken if we don't get the chance to take these guys into the backcountry and teach them what we've learned and show them how beautiful the mountains are. Montana is amazing please don't limit the access we already have. Thank you, Jesse Gage.
