The Crazy Mountains are a favorite retreat landscape I have backpacked and worked in is a wild wonderland of glaciers, remote lakes, hidden waterfalls -bears, mountain goats, elk, lion, wolverine. Apsáalokee (Crow) Tribal leaders are asking the U S Forest Service to PROTECT these sacred mountains. I completely agree that these lands should be maintained as the island mountain range that they are and continue to keep them roadless....please!!!

Also these added items are of concern:

- Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon

- Implementing the Gallatin Forest Partnership agreement

- Maintaining the boundaries of the current recommended Wilderness in the Lionhead

- Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

- Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness

- Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use
