Comments:

Montana's wilderness areas are irreplaceable. My family spends the entire summer in these wild places, and some of my family's income is dependent on maintaining access to these areas. This issue is incredibly important and personal to me. I support:

Protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation

Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon

Implementing the Gallatin Forest Partnership agreement

Maintaining the boundaries of the current recommended Wilderness in the Lionhead

Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness

Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use
