Comments:

Please protect the Custer Gallatin National Forrest by focusing on these important issues:

- * Protect the wilderness values and cultural significance of the Crazy Mountains
- * Protect recommended Wilderness in the Lionhead
- * Implement the Gallatin Forest Partnership agreement
- * Protect and expand recommended Wilderness around the Absaroka-Beartooth
- * Recommend new Wilderness in the Pryors
- * Manage recommended Wilderness just like designated Wilderness

I fully support the following priorities:

- * Protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation
- * Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon
- * Implementing the Gallatin Forest Partnership agreement
- * Maintaining the boundaries of the current recommended Wilderness in the Lionhead
- * Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.
- * Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness
- * Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use
