Comments:

I have hiked, skied, and run in the Crazy Mountains. I realize the checkerboard ownership; please resolve this through purchases of private land. I believe the LC-H NF Plan identifies the area north of the Custer-Gallatin as having wilderness values, so please coordinate with that Plan and give the same designation to the Crazies to the south. I have spent some time in the Crazies and would not like to see them privatized or industrialized. I have visited the Chief Plenty Coups park and would like to see the Plan address the Crow Nation treaty rights.

I have hiked extensively in the Beartooth Mountains and would like to see the wilderness values preserved and expanded upon.

I have visited the Pryor Mountains and Chalk Buttes; please include these areas of roadlessness as wilderness.

I have hiked, skied, and run in the Madison and Gallatin Ranges and would like to see the Wilderness areas expanded upon.
