Phone: 6128770882

Comments:

Please DO NOT close down these areas. These areas are extremely important to us who ride recreational vehicles in these areas. I live in MN and our group brings in thousands of tourism dollars each year to your area. If these areas were to be marked off limits to us, we would be forced to find new areas/states to ride in and spend our hard earned money. Please DO NOT close down these areas.
