Comments:

Mountain bikes do not belong in wilderness areas. Please do not allow them in existing or recommended wilderness areas - they cause problems w/wildlife and hikers on trails - also horses are spooked by them. They go too fast and don't have noise to warn people and animals of their presence. Protect wilderness values of the Crazy Mountains! The Pryors need wilderness protection too in Bear Canyon and Punch Bowl. Please approve and set into action the Gallatin Forest Partnership Agreement. Thank you for people who love the Forest and for the animals and plants that live there! Mari von Hoffmann
