Comments:

Hello, my name is Matt Zia, and I am a Bozeman, MT climber, skier, and above all educator. I teach for an organization called the Montana Wilderness School, a non-profit focused on Youth Education, leadership, Conservation and developing a sense of place and appreciation of wild spaces for local Montana youth from across the socio-economic spectrum. I believe that the Forest Revision Plan MUST include significant non-consumptive and non-motorized use. The future of our state and country depends on it.

Sincerely,

Matt Zia
