I support wilderness recommendations in an Alternative to the Revised Draft Forest Plan that:

1. Disallow trail (re)construction in the currently trailless areas of the Absaroka Beartooth and Lee Metcalf Wildernesses
2. Add the entire 230,000 wild, roadless acres of the Gallatin Range as Recommended Wilderness
3. Prohibit all motorized and mechanized uses, and any other activities not consistent with wilderness protection of the Gallatin Range
4. Preserve its wilderness qualities until Congress acts on the wilderness recommendations
