Dear USFS,

Thank you for considering changes that will help ensure long-term enjoyment and appreciation of the lands you manage in the Custer Gallatin National Forest. As a Montanan I have five recommendations that I believe will enhance prosperity for all in the long run. Those five recommendations are:

- 1) Implement the Gallatin Forest Partnership agreement.
- 2) Manage recommended wilderness as you would wilderness.
- 3) Protect the Crazy Mountains to preserve their outstanding wilderness values.
- 4) Maintain the boundaries of the current recommended wilderness in the Lionhead.
- 5) Protect the following roadless areas surrounding the Absaroka-Beartooth as recommended wilderness: Line Creek Plateau, Red Lodge Creek-Hellroaring Plateau, North Fork, Strawberry Creek, Chico Peak, Emigrant Peak, and Dome Mountain.

Your consideration appreciated,

Lee Boman
