Comments:

Please apply the solid protections of Alt D to the larger boundaries of Alt. C to fully protect the wild Crazies.

1. The new plan must keep it wild: no new roads, no conversion of trails to roads, no private road easements, no motorized vehicles or mechanized traffic in the rugged core of the Crazy Mountains.
2. Trail-less areas must remain remote and trail-less.
3. I also urge the U S Forest Service to manage the Crazies in close consultation with the Crow Nation; to respect tribal requests to fully protect the remote natural character of the Crazy Mountains and to honor and respect Crow traditional cultural practices
