I have lived in MT since 1978. I'm an avid hiker/camper in Madison range, areas surrounding Yellowstone plus Gallatin Range. I strongly support Alternative D "Wilderness" over motorized & mechanized use. The population in this area has exploded in the pass 8 years. There is so much more pressure put on wildlife & the trail system. This area needs to be protected at all costs for future generations. Once it's open up to motorized, timber harvest & trail development there's no going back. I have witness this 1st hand in the Tobacco Rt. where I lived for 30 years. Please keep this area designated wilderness. Thanks
