The Forest Service failed to provide a "No Action" Alternative.

The Forest Service failed to provide a "Preferred" Alternative.

Page 89 of the DEIS. Objectives FW-OBJ-RT)03. All alternatives (B,C,D,E) propose to close additional miles of roads which further limits access. No alternative provided for comment which increases access opportunities.

Page 94 of the DEIS. Objectives (FW-OBJ-REC)01. All alternatives (B,C,D,E) propose to "Remove or relocate existing recreation facilities including dispersed sites. The "specialist report" recommended expanding camping and recreation facilities yet NO ALTERNATIVE was provided to the public which would have increased these recreational opportunities.

I request the Forest Service provide a "No Action" and a "Preferred" alternative. I request the Forest Service provide alternatives that increase road and trail access. I request the Forest Service provide alternatives that increase recreation and camping facilities.
